MAY 3, 2017—The New York Bar Foundation recently presented a grant of \$8,500 to The New York Foundling. The grant will be used to support their Families Rising Program.

“With support from The New York Bar Association, we are able to offer youth an alternative to incarceration program. We work with the individual and their family—and the courts—to avoid a criminal record in exchange for participating in Functional Family Therapy, an evidence-based approach that’s had highly replicated success among participants,” said Bill Baccaglini, President and CEO of The Foundling.

In early 2017, The New York Bar Foundation allocated \$640,000 in grants to 98 programs in New York to assist in:

- Increasing public understanding of the law
- Improving the justice system and the law
- Facilitating the delivery of legal services
- Enhancing professional and competence ethics

The New York Bar Foundation is the philanthropic arm of the New York State Bar Association. To learn more about The Foundation and how you can support its charitable programs, go to [www.tnybf.org](http://www.tnybf.org).
