HONORING

A generous supporter of Foundling events since 2016, City Winery is a key partner in bringing awareness to The Foundling's work with children

and families involved in the foster care system. Every spring, City Winery produces a special rosé wine with sale proceeds benefitting The Foundling. This campaign brings together bars and restaurants across New York City to introduce thousands of New Yorkers to The Foundling's work every year.

An urban winery, restaurant, and music venue, City Winery operates with a firm belief that we all have a role in caring for, nourishing, and helping to repair the world.
