

# FOSTERING COLLEGE SUCCESS INITIATIVE OPEN HOUSES

Learn how The Foundling's FCSI program provides support to help New Yorkers in foster care succeed in college and beyond!

In partnership with ACS and higher education institutions across New York, the program provides academic tutoring, career counseling, and guidance, uniquely geared toward the needs of those in care. Join an open house and hear from Foundling staff on the program's structure, benefits, student eligibility, and application process - and get any questions answered that you may have!

## The Fostering College Success Initiative offers:

|   |  |
|---|--|
|  | Academic tutoring, career counseling, internship placement, and emotional support from trained Foundling staff |
|  | Opportunity for on-campus dorm housing at select CUNY campuses   |
|  | Connection to a community of peers   |
|  | Rolling admissions   |
