

## The New York Foundling

Since our bold beginnings in 1869, The New York Foundling has supported hundreds of thousands of our neighbors on their own paths to stability, strength, and independence. With an internationally-recognized and interrelated set of research-backed services, The Foundling works in partnership with children, families, and adults in New York and in Puerto Rico who are working to create transformational change in their own lives.

## WHO WE ARE

The Children's Health Center of The New York Foundling, an Article 28 health center, was established in 2008 in the Mott Haven neighborhood of The Bronx. Drawing on over a century of experience providing pediatric care in New York City, The Foundling's medical practice provides high-quality, personalized, holistic care to all patients.

Our practitioners and staff are highly-trained in pediatric care and trauma-informed practices, and will devote as much time as is needed to be sure all of your child's issues are addressed and that all of your questions are answered.

## WHAT WE DO

Pediatric and adolescent health care services provided include:

- Preventive care
- Well-Child Visits and Physical Exams
- Routine vaccinations
- Lab screenings, including STI screenings
- Developmental and behavioral screenings
- Asthma Management
- Mental Health screening
- Sick Visits (Same Day Appointments Available)
- Virtual Telehealth Visits

## ELIGIBILITY

Children ages 0-21 are eligible to receive services at the Children's Health Center of The New York Foundling.

We accept New York State Medicaid and a variety of other private and commercial insurances. No one will be denied access to services due to their inability to pay; a discounted sliding fee schedule based solely on family size and income is available to all patients. Additionally, assistance completing the New York State Medicaid application is available by appointment.

Interpretation services are available in more than 250 languages.
