

Medicaid Members can receive assistance connecting to Social Needs Services!

New York State has a new program that provides extra resources to improve health and quality of life for New Yorkers that are covered by Medicaid. The Foundling can help eligible children and adults - and their families - get these benefits on top of existing services.

If you are eligible, you and/or your family can receive additional support with important needs like food, housing, and transportation.

Get Assistance With:

Food & Nutrition

Receive nutritious foods and dietary resources to help stay healthy.

- Free nutritious meals & meal boxes delivered to your home
- Cooking & kitchen supplies
- Personal diet & nutrition planning

Housing

Get help obtaining and maintaining a stable, safe, & comfortable place to live.

- Navigational & financial support with finding, applying & keeping housing
- Assistance with home pest /mold removal & accessibility /safety modifications
- Help with utility set-up & bills

Transportation

Ensure that you and/or your family can get to appointments to receive necessary care and support.

- Travel assistance for eligible appointments, including job interviews, housing appointments, social service meetings, and more.

How it Works:

- Reach out to us and let us know that you're interested!
- We will conduct a 10-question screening & eligibility assessment.
- If eligible, you will receive information about available services, and will be able to choose which services will be helpful to you and/or your family. We will either provide services or connect you to other community providers to receive this support.

ALL THESE SERVICES ARE FREE IF YOU QUALIFY!
