ABOUT THE NEW YORK FOUNDLING

Since our bold beginnings in 1869, The New York Foundling has provided opportunities to build futures for hundreds of thousands of our neighbors on their own paths to stability, strength, and independence. With an internationally recognized and interrelated set of research-backed services, The Foundling works in partnership with children, adults, and families in New York and Puerto Rico who are creating transformational change in their own lives.

ABOUT FALL FÊTE

The New York Foundling's annual Fall Fête returns to Cipriani 25 Broadway on Wednesday, October 22. This year's Fall Fête marks our 10th year anniversary of this event - and we are excited to celebrate our long legacy and the opportunities we continue to provide together to the children, adults, and families in our community. The evening features cocktails, hors d'oeuvres, a seated dinner, auction, and entertainment.

ABOUT OUR HONOREES

Patricia Mulvaney has served on The Foundling's Board of Trustees since 1994, and as Chair of Mott Haven Academy Charter School's Board since its inception in 2008. Prior to her retirement, Ms. Mulvaney was a partner at the professional services firm PricewaterhouseCoopers LLP where she served audit clients as well as led teams in the firm's Ethics and Compliance office. She also served as Treasurer of the PwC Foundation. Her decades long philanthropic work as a member of The Foundling Board has included roles as a member of the Executive Committee, the Program Quality Committee, the Audit Committee and founding Chair of Haven Academy's Board.

Ms. Mulvaney shares, "Throughout my board tenure I have been inspired and impressed by The Foundling's ability to carry out its mission by anticipating the challenges of a dynamic world and addressing them as opportunities. What a privilege it has been to see the power of purpose and potential at work at The Foundling." We thank Ms. Mulvaney for her dedication and service to The Foundling and our community.

Christopher V. and Helyn Waldorf established a lasting legacy of philanthropy through their quiet yet powerful generosity. Throughout their lives, they gave anonymously and abundantly by funding scholarships, building churches, and creating opportunities for young people to thrive. Thanks to this legacy, Waldorf Risk Solutions and the Waldorf Family have served as exceptional partners to The New York Foundling for over two decades in both business and philanthropy.

Christopher and Helyn held a special place in their hearts for The Foundling and were deeply committed to supporting children in our community. Their genuine love for the organizations they served and their profound belief in the transformative power of compassionate work defined their lives and left an enduring impact on all they touched.
