Sr. Donna Dodge
President**

Founded in 1817 by St. Elizabeth Ann Seton, the Sisters of Charity of New York have served with a spirit of compassion, courage, and practical love for more than two centuries. Rooted in the Vincentian tradition, the Congregation is guided by its mission to reveal God's love in the world through service to those who are poor and marginalized, and through a commitment to justice, peace, care of creation and the dignity of every person.

From their earliest ministries in education, healthcare, and care for children, the Sisters helped shape New York's social and charitable landscape, including their historic role in founding The New York Foundling in 1869. Today, their legacy continues through sponsored ministries, partnerships, advocacy, housing initiatives, and direct service across the region.

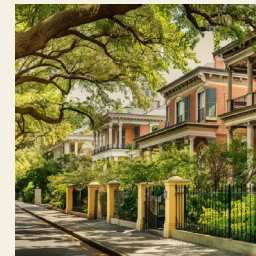

The Congregation is led by President Sister Donna Dodge, SC, and the Leadership Team, who guide the community in responding to the needs of our times with faith, wisdom, and hope. Together with Associates, partners, and friends, the Sisters of Charity of New York continue to carry forward the enduring charism of charity in action.

HOST

MONICA MORALES
Pix 11 Journalist,
Monica Makes It Happen

Monica Morales is an eight-time Emmy Award-winning PIX11 News host, content creator, and founder of “Monica Makes It Happen,” a multiplatform franchise that turns storytelling into action for families and communities.

Since 2016, Morales has focused on issues affecting families, especially mothers, including affordable housing, food insecurity, financial empowerment, and career access. Through her television and digital shows, she connects viewers with resources and builds partnerships that deliver meaningful support.

Morales has personally visited more than 250 New York City housing developments, helping residents secure critical repairs, safe housing transfers, and other assistance. Her reporting helped secure \$1 million to restore Bronx playgrounds, save a neighborhood food pantry, and obtain reimbursements for New Yorkers affected by SNAP benefits theft.

Her commitment to mothers includes helping a pregnant woman experiencing homelessness find safe housing and connecting a Brooklyn single parent with a college scholarship that has since supported other single parents.

“Monica Makes It Happen” earned consecutive Community Service Emmy Awards in 2024 and 2025. Morales’ honors also include a National Emmy, an Edward R. Murrow Award, and the Ellis Island Medal of Honor. She serves on the board of Casa de las Américas at LaGuardia Community College and the Advisory Council of the Ellis Island Honors Society.

Morales credits her late mother, Maria Teresa Morales, a Bolivian immigrant who worked three jobs to support her family, as her daily inspiration for helping others build brighter futures and stronger local communities.

LIVE PROGRAM AUCTION

Your support in our live program auction can help us provide the following programs and services to our community:

\$10,000 CAN SUPPORT A FULL YEAR OF MENTAL HEALTH CARE FOR A TEEN AND THEIR FAMILY.

Through our work across New York City, we see how the financial and navigational barriers in accessing child and adolescent mental health negatively affects our neighbors' lives. Too often, young people go without care until unmet needs escalate to a crisis. To promote social-emotional health in our communities, we provide accessible, effective, and trauma-informed mental health care.

\$5,000 CAN PROVIDE A YEAR OF SUPPORT FOR 2 COLLEGE STUDENTS IN FOSTER CARE

Despite high ambitions for college and careers, young people in foster care face unique barriers and have been historically underrepresented in higher education. Our College Choice Support Services help students in foster care overcome these obstacles by offering comprehensive financial, academic, and social support throughout college.

\$2,500 CAN EQUIP 12 CHILDREN WITH ESSENTIAL SUPPLIES FOR CAMP FELIX

Each summer, youth who attend Camp Felix build confidence, learn new skills, and form lasting connections in a safe, supportive space. Your support will help provide campers with the essential items they need for a successful and enjoyable camp experience, including water bottles, sunscreen, beach towels, bug spray, camper t-shirts, sweatshirts, and duffel bags.

\$1,000 CAN HELP FURNISH AN APARTMENT FOR A PERSON LIVING INDEPENDENTLY FOR THE FIRST TIME

Transitioning to independent living is hard for everyone, especially for those without strong support networks or who are living with a developmental disability. The Foundling is making this dream a reality for hundreds of people through our supportive housing programs. In addition to wraparound support, we provide furniture and kitchen necessities to make every apartment a home.

\$500 CAN FEED 10 FAMILIES FOR ONE WEEK IN STATEN ISLAND

Food instability is a significant stressor for many of our neighbors in Staten Island. The Staten Island Free Market – our community-based food pantry – distributes food and other necessities free of charge to low-income families at convenient sites including public housing, community-based organizations, clinics, and libraries.

The poster features a decorative border composed of various geometric patterns in a light orange color. These patterns include concentric squares, horizontal and vertical lines, and semi-circular arcs, arranged in a grid-like fashion around the central text.

FALL FÊTE

The logo icon consists of two stylized human figures, one above the other, with a heart shape integrated into the lower figure's torso.
